## KEY MESSAGES

	Would like green space around developments
	Consider some blocks poor design (just concrete)
	Concern that apartments provide less privacy
HOUSING	Don't think they will be able afford housing
ACCESS AND MOVEMENT	Safety a major concern
	Would like more staff on hand and listening to young people
	Have experienced crowded trains and buses/ not being able to travel – would like more services
INFRASTRUCTURE AND COMMUNITY	Lighting and rangers important for safety. Want compliance
	Community connections seen as important
	Would like local facilities – shops in small centres, libraries to do homework, more youth clubs
ECONOMY AND CENTRES	Concern about lack of diversity in shopping centres – eg many shops offering the same product or service
	Physical environment around Centres raised as an issue – dark spaces/gangs
ENVIRONMENT	Keen to see more parks with facilities for all ages
