**SUBJECT: Cooperation between Georges River Councils and Town of Čakovec**

Dear Mrs. Schultz!

Based on the contacts and initiatives that we had in the previous period, I suggest that we raise cooperation between our two communities to a new level.

As Hurstville City no longer exists, the statutory procedure tells us that the Formal resolution of the our City Council on Friendship Charter between Hurstville City and Čakovec should be canceled. New one, Friendship Charter between Čakovec and Georges River, must be approved by our City Council. I will make that proposal to the Čakovec City Council with pleasure.

I invite your delegation to visit Čakovec, so we can get to know each other more closely. At the end of July and early August in Čakovec there is a traditional Porcijunkulovo Festival, linked to the Catholic feast of Our Lady of the Angels, which every year attract over 200,000 visitors to our town.

It would be a great pleasure if the Delegation of your city visit Čakovec during Porcijunkulovo Festival. We will arrange and pay for accommodation for four people. During your visit, we will organize meetings with our Chamber of Commerce and cultural institutions operating in Čakovec.

Please inform me about your decision.

Best regards,
