Dear Ms McMahon

Subject: Georges River Council draft Plan of Management – Hurstville Oval and Timothy Reserve Plan of Management

Thank you for referring Georges River Council draft Plan of Management for Hurstville Oval and Timothy Reserve Plan of Management under section 39 of the Local Government Act 1993 (LG Act), and Council's request for consent to alter the initial assigned categorisation of the land under section 3.23(d)(i) of the Crown Land Management Act 2016.

I have reviewed of the draft plan of management and as a delegate for the Minister for Water, Property and Housing, I am pleased to confirm that the draft plan satisfies the requirements under section 3.23 of the Crown Land Management Act 2016.

I have also considered Council's request to alter the initial assigned categorisation for one Crown reserve (R500461) included in the draft plan. As a delegate of the Minister for Water, Property and Housing, I grant consent to alter the categories of the land (see Attachment 1).

Council can now progress to give public notice of the draft plan of management which is required to include a public hearing as per section 40A of the Local Government Act 1993. If the council decides to amend the draft plan after public notice of the draft plan of management, Council is required to again refer the plan to the land owner.

If you have any further questions or need assistance, please contact me on 0422 005 533 or via email at council.clm@crowland.nsw.gov.au.

Yours sincerely
